## GAS DETECTOR REPLACEMENT AND RECYCLING PROGRAM

*Are your gas detectors operating properly?*

*Are your gas detectors reliable?*

*Are your gas detectors difficult to calibrate?*

*Are your gas detectors out of warranty?*

*Are your gas detectors obsolete?*

*Are you looking to replace your gas detectors?*

Replace your existing gas detectors and receive **15% discount** towards the purchase of any SST's NOVA-Sensor ELITE or NOVA-Sensor, our latest state-of-the-art family line of gas detectors.

In addition, you may send us your old gas detectors for recycling (shipping not included). SST will take any gas detectors regardless of brand and will properly recycle them at no charge.

Program available through January 31, 2014!
